

March Newsletter

Dear Families,

I hope this Newsletter finds you all well as the long evenings approach and days are becoming longer. It has been fantastic having all our children and classes back in school. I wish to commend everyone on following the guidelines and protocols in doing their best to keep us all safe both inside and outside the schools. Thankfully a degree of normality has returned to our school within our pods and bubbles. The end is within sight and I wish all our families and children a restful and peaceful Easter Break.

Le gach dea-ghuí,
Patrick Crean
